SUBJECT: Spring/Summer 2020 Course Feedback Forms

As we all know, teaching and learning in Spring 2020 were both affected by the coronavirus pandemic and our rapid shift to online instruction. As a result, Course Feedback Forms from Spring 2020 and Summer 2020 may or may not be indicative of a faculty member's typical teaching performance. Student feedback may include comments that are more about the pandemic and mid-semester pedagogical changes than about the faculty member or the course, itself. Therefore, please consider these circumstances when reviewing any Spring and Summer 2020 course feedback.

Sincerely,

Daniel A. Reed
Senior Vice President for Academic Affairs
